...Brunswick Business Centre III & IV  
1126 & 1130 Industrial Parkway

**“Flexible Spaces in All the Right Places”** is what Fogg had in mind when designing their large portfolio of office, industrial and office/warehouse (flex) properties. Strategically located near major freeways in northeast Ohio, Fogg’s properties offer flexible floor plans, truck access and lease terms, as well as expansion opportunities for their growing customers.

Well located near the intersection of I-71 and State Rt. 303 in Brunswick, Ohio, Fogg’s properties are within the thriving Brunswick Industrial Park. The park is located within minutes of the Ohio Turnpike I-80, I-71 and Cleveland Hopkins International Airport. These office/warehouse buildings are designed to be easily altered to fit a variety of distribution and light manufacturing uses.

“I have worked with various property managers finding corporate expansion facilities for the last twenty-five years in five different States and by far Ray Fogg Corporate Properties management services has the smoothest operations and the nicest people to work with.”

- E & R Industrial

“We have been pleased with the responsiveness of the entire Fogg organization. They are professional and a straightforward business partner.” - Virginia Tile Company
